Your S.M.I.L.E. Program in 2016

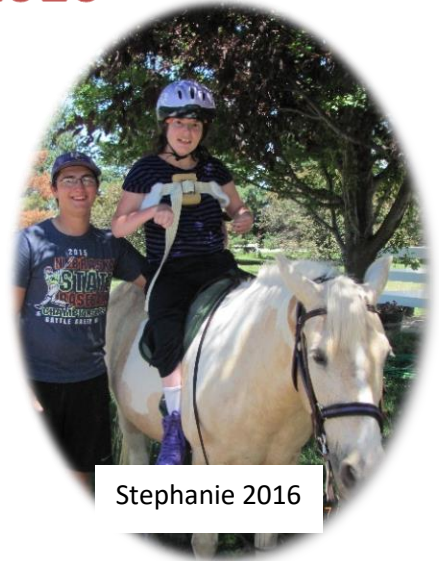

Stephanie 1992

THANK YOU FOR 25 years of providing recreational therapy on horseback for special needs children and adults in your community and surrounding communities.

God has sent many helping hands over the past **25 years**.

His hands, through you, have touched many families and given them **Joy** and **Hope** for their children.

This is Jamie's second year at S.M.I.L.E. and she loves her horse Q. You put the two of them together and Miracles Happen. Read her story inside.
