

Your S.M.I.L.E. Program in 2024! 33rd Year!!

God's Miracles continue happening because of your continued support! This cowgirl and cowboy started walking this year by just hanging on to someone's hand. Praise the Lord!! God Bless You All!! Patty

Hi! My name is Gracie!

I have gained a lot of core strength to sit on my own.

This year I can stand by myself while brushing Freddy & walk.

Hi! My name is Emmett!

I can sit up tall this year and hold on to the horn

I have been working on my balance and eye & hand coordination.

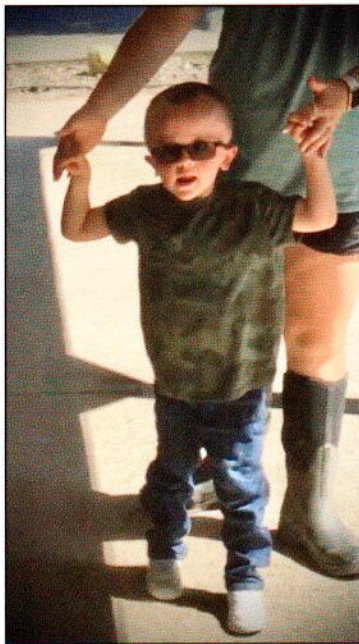

Please read the inside letters written to you, from the parents, to know what you are providing!

THANK YOU for giving us this Life Changing Opportunity!!!

Last year I was being held up under both arms on a bareback pad. I graduated to a saddle with stirrups.

This year I can walk with a walker or someone holding on to both hands.

I am 5 years old and have gained balance to ride without someone holding on to me.

I do a lot of fun things to build muscle and eye and hand coordination.
