

Your S.M.I.L.E. Program in 2025! 34th Year!!

Thank you for being a part of God's Great Mission in Blessing others!

One must go in a car to see what man has made.

One must go on a pony to see what God Has Made!!

Hi! My name is Harrison!

I am 5 years old. This is my third year of riding and my first year of riding Freddy by myself.

This is a huge accomplishment for me. It takes a lot of focus to steer Freddy in and out of the cones.

Hi! My name is Anthony!

I am 6 years old and I love doing fun things on Freddy to build core muscle and balance.

This is my 3rd year and I can sit up tall while riding through the trees and grab leaves off the trees & watch butterflies.

Please read the inside letters written to you, from the parents, to know what you are providing!

THANK YOU for giving us this Life Changing Opportunity!!!

This year I can buckle Freddy's halter while standing and using both hands at the same time.

I am challenged, while having fun, to strengthen muscle and work on eye & hand coordination.

I have learned to process all the steps while putting on all of Freddy's tack, like the halter.

I can carry my saddle with no help this year.
I keep building muscle & confidence.

EVERYONE rides on a scholarship of \$640.00. Our student's fee is \$260.00 for the whole summer. You make the lessons affordable for everyone.
